2009-11 Budget Bill Statutory Language Drafting Request

- Topic: Penalty Assessment
- Tracking Code: 880056
- SBO team: Agriculture, Environment and Justice
- SBO analyst: Leah Wavrunek
 - Phone: 267-0370
 - Email: leah.wavrunek@wisconsin.gov
- Agency acronym: DOJ
- Agency number: 455
- Priority (Low, Medium, High): Low/Medium

Intent:

The request pertaining to penalty assessment has two different pieces: equate existing language regarding DOJ appropriations with the other agencies who receive penalty assessment, and include recapture language to collect unencumbered balances.

Language Change- Low Priority

Under current law, language under s. 20.455(2)(i) treats transfers to DOJ appropriations 2(j), (ja) and (jb) differently from all other appropriations who receive penalty assessment:

Moneys may be transferred from this paragraph to pars. (j), (ja), and (jb) by the secretary of administration for expenditures based upon determinations by the department of justice.

The request intends to delete this language and have the three appropriations treated the same as the others (amounts in the schedule).

Recapture Language- Medium Priority

Create nonstatutory language that requires unspent or unencumbered balances in agency appropriations that receive penalty assessment be redeposited to s. 20.455(2)(i) at the end of each fiscal year.

CORRESPONDENCE/MEMORANDUM

DEPARTMENT OF JUSTICE

Date: September 15, 2008

To: Stephen R. Miller, Chief
Legislative Reference Bureau

From: Jack Benjamin, Budget Director
Department of Justice

Subject: 2009-11 Budget Bill

The Department of Justice requests that language be drafted for the 2009-11 budget bill to accomplish the following purposes:

5. Penalty Assessment Surcharge—Amend sec. 20.455 (2)(i) so that the transfers to paragraphs (j), (ja), and (jb) are consistent with all other transfers of Penalty Surcharge receipts listed in that section. In each case, the language should read, for example, *The amount transferred to par. (j) shall be the amount in the schedule under par. (j)*, etc. Language authorizing transfers to these three appropriations should be deleted. In this way, all appropriations receiving revenues from the Penalty Assessment Surcharge would be treated in the same manner.

In addition, in FY08 the Department of Administration allowed appropriations that receive Penalty Surcharge revenues to retain any unspent/unencumbered balances. As an alternative, the Department requests that unspent or unencumbered revenues be redeposited in the appropriation under sec. 20.455 (2)(i).

1 AN ACT ...; relating to: the budget.

Analysis by the Legislative Reference Bureau

CRIMES

LAW ENFORCEMENT

Under current law, people who are fined or subject to a forfeiture for violating a state law or local ordinance generally must also pay a surcharge equal to 26 percent of the fine or forfeiture. Current law appropriates receipts from the surcharge to an appropriation account for DOJ, and transfers specified amounts from that account to fund various programs. Current law also authorizes the secretary of administration to transfer money from the the penalty surcharge receipts appropriation account to fund law enforcement training and equipment for crime laboratories.

This bill transfers specified amounts from the penalty surcharge receipts appropriation account to fund law enforcement training and equipment for crime laboratories. The bill also provides that any money that is transferred from the penalty surcharge receipts appropriation account and that remains unencumbered at the end of a fiscal year shall revert back to the penalty surcharge receipts appropriation account.

The people of the state of Wisconsin, represented in senate and assembly, do enact as follows:

Subject: Change to LRB-0329/1

Hi Robin,

For this draft, I would like to remove the change to current law pertaining to the secretary of administration determining amounts transferred to (j), (ja) and (jb). We will retain current law language on that. However, I do want to keep the language that reverts unencumbered balances back to s. 20.455(2)(i).

Please let me know if you have any questions.

Thanks,
leah

Analysis by the Legislative Reference Bureau

CRIMES

LAW ENFORCEMENT

Under current law, people who are fined or subject to a forfeiture for violating a state law or local ordinance generally must also pay a surcharge equal to 26 percent of the fine or forfeiture. Current law appropriates receipts from the surcharge to an appropriation account for DOJ, and transfers specified amounts from that account to fund various programs. Current law also authorizes the secretary of administration to transfer money from the penalty surcharge receipts appropriation account to fund law enforcement training and equipment for crime laboratories.

This bill transfers specified amounts from the penalty surcharge receipts appropriation account to fund law enforcement training and equipment for crime laboratories. The bill also provides that any money that is transferred from the penalty surcharge receipts appropriation account and that remains unencumbered at the end of a fiscal year shall revert back to the penalty surcharge receipts appropriation account.

The people of the state of Wisconsin, represented in senate and assembly, do enact as follows:
